Environmental Protection Agency
401 M Street, S.W.
Washington, D.C. 20460

Dear Mr. Reilly:

I am writing in response to the Environmental Protection Agency's request for Public Comment on Ethyl Corporation's application for a Waiver to permit the use of the gasoline additive, HiTEC 3000.

After reviewing data that was sent me, I feel that this is a positive step in reducing emissions. For this reason I hope that your agency acts in a positive manner with respect to this product.

Sincerely,

George S. Kolettis
